

AL JOTHAN THEN AND NOW

From humble beginnings in the United Arab Emirates 2 decades ago, Al Jothan Perfumes has been acknowledged by its extraordinary perseverance in the manufacturing and packaging industry. From a team of four (4) to a growing number of multilingual staffs, we

now house different departments and roles in operations, sales, marketing, designing, production & many other which proves our capability to cater our clients. AJP has now global reach, networks and partners in the manufacturing and packaging industry both locally and internationally.

What has once started with only standard bottles, the company now offers the following services:

PRIVATE LABEL

Logo Design
Private Mould
Custom Mould

DECORATIONS

Normal printing
Hot stamping
Color coating
Engraving
Sticker

BOX

Soft box
Hard box
Box sleeve

CONTRACT MANUFACTURING

Perfume filling
Over wrapping

Over the years, Al Jothan Perfumes have reached extraordinary heights and giant strides in establishing international partnership and operating its own distribution, yet we acknowledge that we are still on the process of constantly evolving and refining our services to fulfill our customers' demands – we will continue to do so in striving to deliver excellent and quality service.
